Reception.

How does the church receive the
gospel of God in Christ Jesus in
our own day?

How will the world receive the
gospel of God in Christ Jesus from
the church?

How do we receive each other in
the name of Christ?

*Whoever receives one whom I
send receives me; and whoever
receives me receives him who
sent me.* John 13.20

Five Plenary Speakers, Twelve Seminars, 300+ Ecumenists

Tampa sits on the eastern bay of the Gulf of Mexico. Along with its sister cities on the other side of the bay (St.

Petersburg, Clearwater, Largo and others), the Tampa Bay area is a center of Florida life. From powdered sand beaches and water sports to theme parks and sports teams, it's a destination vacation spot for the world. The bay is a witness to a fragile ecosystem of land and sea supporting greater and greater demands from human development. Our witness to the gospel in a post-modern, interreligious world faces parallel demands to show that faith in Christ delivers on the promise of life.

The National Workshop witnesses to the Church's calling to become more visibly one. Tampa 2010 will witness to how well we receive one another. Will it be a witness the world desires to receive?
